Lifemed

Gesund durchs Leben

Good health for life

Product catalogue

12-2020-V07

Good health for life ...

... is the model of our corporate philosophy that we live and breathe on a daily basis. As a young company based in Lindau am Bodensee, Germany, Lifemed GmbH specialises in the distribution of health and wellness products. Our new products from the Lifemed health worlds help health-conscious people to go through life healthy, zestful and informed.

Our growing range is divided into six health worlds. It includes products for wound care and foot care, for the sports sector as well as healing and heat products, which have been developed, among other things, from Asian healing methods. To complete the range,we offer many other aids to everyday health and that can be used practically at home and on the go.

As an internationally experienced trading expert, founder and CEO Marc E. Kriessler combines the expertise of two strong partner companies in Lifemed GmbH. In addition to our many years of trading experience, we offer our customers a state-of-the-art logistics infrastructure with over 70,000 pallet locations and comprehensive service at the POS. To your advantage, the manufacture of our medical products takes place in Germany and worldwide.

Our goal is to best serve you as our retail customer with our products and our service in the growing regional, national and international health & wellness markets. With the lifestyle brand Lifemed and our concepts individually tailored to your needs, you will noticeably experience added value at your POS.

High quality service, integrated supply chain management, as well as our quality assurance standard that meets all necessary certifications, complete our service package.

With our highly motivated team of employees and experienced partner companies, we are addressing our shared challenges - for your success and for the satisfaction of all health-conscious people.

We look forward to having the opportunity to demonstrate what we can do for you.

Marc E. Kriessler
CEO & Founder

Lifemed Quality Management

We guarantee the best possible quality of our health and wellness products and services for our trade customers and end users.
In order to offer this we have successfully implemented the Lifemed quality management system, which we understand as an important part of our corporate philosophy.

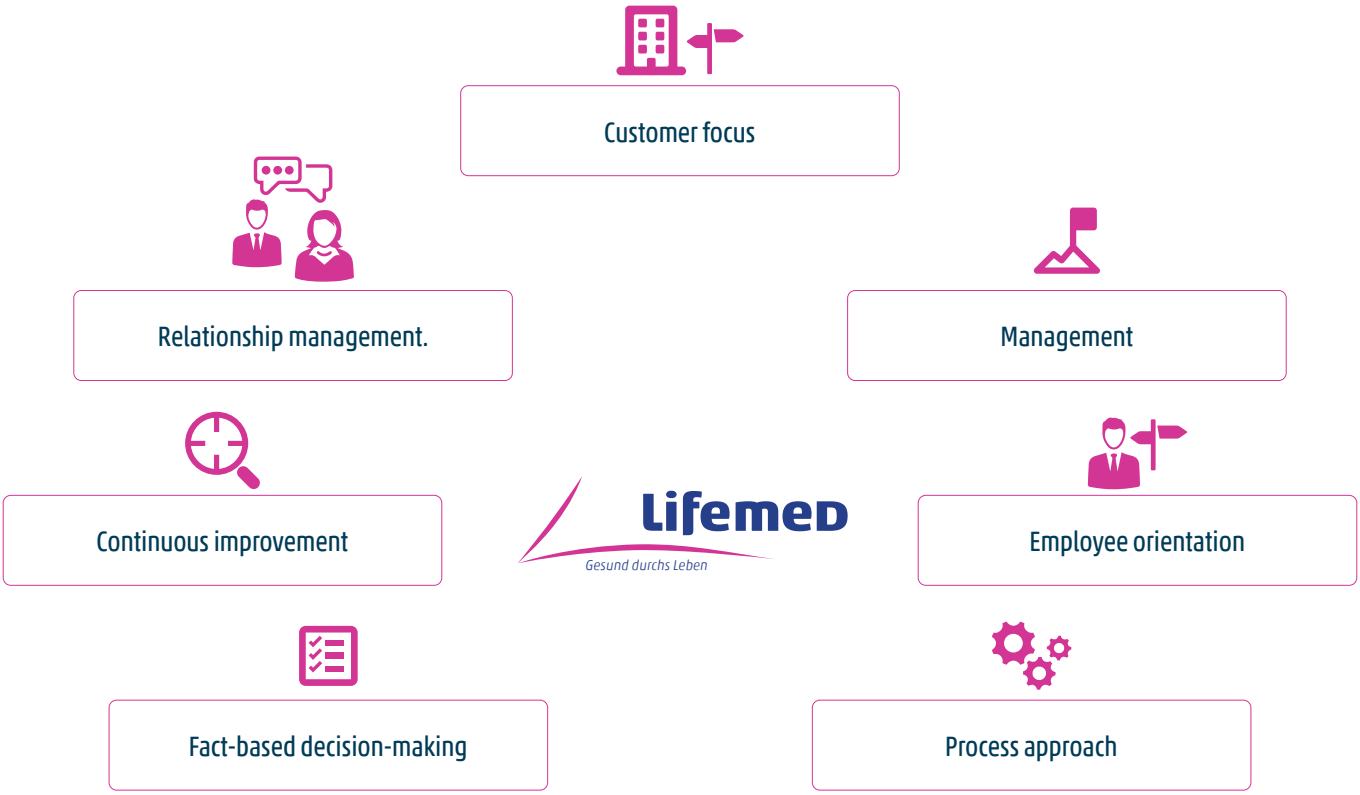

On this basis, our quality management team in cooperation with our partners ensure the quality of our products, processes and services beyond the statutory requirements.

The requirements of our Lifemed quality management system are regularly checked by internal and external audits and certified according to EN ISO 13485:2016.

ISO 13485:2016
BUREAU VERITAS
Certification
No. CH10546920

Our close proximity to the market and our customer-oriented approach enable us to optimally tailor our product range to market and customer needs, to continuously improve process quality, and to continuously improve the quality of our products and services.

Symbols for the labelling of our medical devices

Various standards and government regulations specify packaging labelling symbols to help ensure the safe use of medical devices. Here is a selection of the symbols used to identify Lifemed health products.

Symbol	Explanation
	Manufacturer
	Date of manufacture
EC REP	European Authorised Representative
REF	Order number
PZN	Central pharmaceutical number
LOT	Batch number
	Sell-by date
CE	Meets the requirements of harmonised standards
	Do not reuse
STERILE EO	Sterilised by ethylene oxide

Symbol	Explanation
	Do not sterilise again
	Do not use if there is noticeable damage to the packaging or product
	Keep away from sunlight
	Temperature limitation
	Store in a dry place
	Latex-free
	Contains or presence of natural rubber latex
	Contains or presence of phthalates
	Do not dispose of with household waste
	Dispose of products and packaging in an environmentally friendly way

Symbol	Explanation
	Follow the information leaflet
	Follow the instructions
	Biological hazard
	Recycle for reuse
	Hand wash only. Rinse normally and dry gently.
	Do not bleach
	Do not tumble dry
	Do not dry clean
	Do not iron

Lifemed sales displays - increase your sales at the PoS

Our Lifemed sales displays help you promote both smaller and larger product quantities. Our topic-specific product presentation displays of Lifemed products from the six health worlds are visually particularly sales-stimulating. The various systems can be individually accessorised and combined. More about the offer under the QR-Code:

- Floor displays - cardboard
- Topical durable display systems
- Durable counter displays - plastic
- Counter displays - carton
- Concepts for commercial shelf systems

Medical product, optimal protection, 3-ply, breathable, comfortable to wear, elastic ear-loops, latex and fibreglass free

These 3-ply Lifemed® disposable face masks prevent the transmission of pathogens and offer highly resistant protection. They significantly reduce the risk of bacterial infection. The fibreglass-free, full-surface filtration medium fully covers the nose and mouth as well as the peripheral areas. The flexible nose clip and elastic ear-loops ensure a comfortable fit and adapt perfectly to every face shape. The mask meets DIN EN 14683, Type II requirements and has a bacterial filtration efficiency of at least 98%. Lifemed® face masks are an approved medical product with a German declaration of conformity and are PCN and DIMDI registered.
